• **Communications & Networking**

- Communication
- Tracking: Personnel & Equipment
- Telemetry
- Automation
- **VHF Leaky Feeder with Ethernet & Digital Mobile Radio (DMR)**
- **Fiber Optics, Wi-Fi & Bluetooth®**
- **Atmospheric Monitoring**
- **Ventilation Automation**
- **Wireless, Battery-Powered Mesh Networks**

• **Proximity Detection & Collision Avoidance (Level 7 & 9)**

- Electromagnetic
- Artificial Intelligence (AI) Machine Vision Sensors
- **Emergency Refuge Chambers**
- Rigid
- Inflatable
- Rail-mounted
- **Fixed and Mobile Gas Detection**
- **Dust Monitoring**

• **Boraid® Ground Conditioners & TBM Tail Sealant**

- **Bentonite**
- **Fly Ash**
- **Portland Cement**
- **Waterproofing Chemicals (GCP)\***
- **Shotcrete (sourced by USCP in US)**
- **Shotcrete Chemicals and Strux Fibers (GCP)\***
- **Cementitious Grouts (GCP)\***
- **Chemical Resins (GCP)\***
- Ground/Roof/Structure Control – Injectables
- Water Control & Waste Removal
- **Pumps for clear and trash water, sludge, slurry and mud clean-up and removal**

\* outside the U.S. subject to local availability

- Voice-Over-IP, VHF Leaky Feeder and Digital Mobile Radio
- Multifunctional, modular network for high-speed connectivity of IoT, PoE and Wi-Fi devices
- Emergency Refuge Chambers. Rigid, Inflatable and Rail-mounted
- Portable, Pneumatic Vacuum Pumps

## Underground Connectivity, Safety & Construction

### GLOBAL CONTACTS

#### AMERICAS
